## Tina Roach, AIA, LEED AP

### Contact Information:

Quinn Evans Architects  
1214 28<sup>th</sup> St., NW, Washington, DC 20007  
202.298.6700, troach@quinnevens.com, wwwquinnevens.com

### Education:

M.Arch. and certificate in historic preservation, University of Texas at Austin, 1998  
B.A., art and architectural history, University of Chicago, 1990

### Experience:

Associate, Quinn Evans Architects, specializing in building renewals and sustainable design. For the past 10 years, she has participated in the restoration, renewal, and greening of university buildings, public schools, a landmark market, and the American Institute of Architects Headquarters building. She has specialized experience in the interpretation and application of LEED NC 2.1/2.2 and LEED for Homes, in both new and historic buildings. She has presented many times on the topic of sustainable preservation locally and nationally.

### Memberships:

Association for Preservation Technology International, Technical Committee on Sustainable Preservation  
Association for Preservation Technology, Washington, D.C. Chapter

### Fellowship:

Awarded the 2009 Richard Morris Hunt Fellowship, an honor bestowed by the American Architectural Foundation and The French Heritage Society for architects pursuing a career in historic preservation. The fellowship is a formal information exchange on the protocols, principles, and practices that inform preservation in the United States and France. During the six-month program in France, Ms. Roach will focus on the synergies and conflicts between sustainable design and historic preservation in the two countries.
