Education:

EMBA, University of Wisconsin
M.A., architectural history, University of Virginia
B.S., art history, University of Wisconsin

Experience:

Principal, Mead & Hunt, experience in historic preservation, transportation project planning, and regulatory compliance with expertise in Section 106, Section 4(f), and the Secretary of the Interior's Standards for Rehabilitation. Nationally recognized for work with historic bridges, past projects include statewide historic bridge projects with inventory, evaluation, and management plan components in Colorado, Indiana, Louisiana, Minnesota, New York, and Texas. Works with historic bridges preparing preservation feasibility studies, alternatives analysis, and management and rehabilitation plans. Key in the development of the historian-engineer collaborative team approach to rehabilitating historic bridges implemented in Minnesota and applied to the preparation of 150 individual management plans and rehabilitation projects. Collaborates with the design team and owner, as well as coordinating with state and federal agencies and interested parties.

Training:

Maintenance and Rehabilitation of Historic Bridge Training, co-instructor with John Rathke, P.E. for Louisiana Department of Transportation and Development, 2015, 2016, and 2018. *Minnesota Department of Transportation Historic Bridge Project Development Training*, co-instructor with MnDOT Bridge Office and O.N.E., 2012 and 2014. *Approaches to Historic Bridge Rehabilitation* webinar, organizer and moderator with Federal Highway Administration (FHWA), 2010-2012.

Presentations and Publications:

"Minnesota Historic Bridge Program: Preserving Our Engineering Legacy," Minnesota's Transportation Conference, 2014. "New Priorities for Old Bridges: Leading the Way in Louisiana," Southeastern Association of State Highway and Transportation Officials, 2014. "Louisiana Historic Bridge Program," AASHTO Subcommittee on Maintenance, 2014. "Minnesota's Historic Bridges: Lessons Learned and Current Best Practices," Society for Industrial Archeology, 2013. "Historic Bridges: New Approaches toward Sustaining the Legacy," Transportation Research Board, Annual Meeting, 2011. "Historic Bridges Nationwide: A Comparative Analysis of States and Identified Best Practices," *Environmental Practice*, Vol. 19, Issue 2, June 2017. "Balancing Engineering Criteria and Historic Significance to Preserve Select Bridges," *Transportation Research Record: Journal of the Transportation Research Board*, TRB of the National Academies, 0361-1981, Vol. 2202, 2010.

Awards and Memberships:

FHWA Environmental Excellence Award: Louisiana Historic Bridge Inventory and Programmatic Agreement, 2017 and Minnesota Historic Bridge Management Program of the Minnesota Department of Transportation, 2009. Othmar Ammann Lifetime Legacy Award, 2015. Transportation Research Board, past ADC50 member and program chair. Society for Industrial Archeology, member.
