Education:

M.S., historic preservation, University of Vermont
B.A., theatre/English, Mary Baldwin College

Experience:

Senior Program Analyst and Federal Highway Administration Liaison, Advisory Council on Historic Preservation, 2015-2018, specializing in Section 106 and Section 4(f). Led the ACHP Transportation Policy Team. Developed programmatic approaches to encourage efficient delivery of high quality transportation projects that respected their unique environments. Worked with the Transportation Research Board and others to identify research needs and provide guidance for addressing historic properties in transportation. Panel member, National Cooperative Highway Research Program study of *Historic Roads: A Synthesis of Identification and Evaluation Practices Reviews*. Managed high profile FHWA cases with major policy, interpretation, or public issues.

Federal Preservation Officer, Federal Highway Administration, 2000-2015. Developed innovative program alternatives for common bridge types and the Interstate Highway System in partnership with FHWA and ACHP. Represented FHWA on the Route 66 Advisory Council. Developed and delivered training for the National Highway Institute. Edited *Successes in Stewardship*, a monthly newsletter.

Historic Preservation Analyst, Advisory Council on Historic Preservation, 1991-2000. Reviewed and managed high profile cases for all U.S. DOT agencies. Negotiated agreements with agency officials for complex and controversial projects.
